

Sexual and Reproductive Rights within Communities

Understand sexual and reproductive rights on a personal level. How do individuals within various communities in the Global South exercise their right to choose their partners, when to marry, how many children to have and when ?

The Dutch Sexual and Reproductive Health & Rights (SRHR) Alliance in cooperation with KIT Health and ShareNet International kindly invites you to explore these questions with us at our concurrent session.

Date: Tuesday 17 May, 2016
Time: 13:30 – 14:30
Location: Room B3-5

You must be registered at the Woman Deliver 2016 global conference to attend this concurrent session
