

**WORLD WATER WEEK** | Date 29<sup>th</sup> August | 13.00 -13.50

## Launch of report Social inclusive WASH programming

A mapping study of social inclusive strategies and approaches in WASH programmes and projects of a selection of Dutch based and international organisations active in the WASH sector. The Dutch Ministry of Foreign Affairs (DGIS) and Simavi (Watershed) invite you to join a side event with a report launch on social inclusion, contributing to the global WASH goals of Leaving No One Behind, the WWW theme for 2019.

Do you want to have a quick overview of how leading WASH organisations deal with social inclusion? Visit our side event. Organisations involved in the preparation of the report are:

**World Bank, WaterAid, GIZ, Sida, Unicef, WSSCC and Brac; Dutch organisations Simavi, IRC, Wetlands International, Plan Nederland and VEI.**
